FEEDBACK FROM 2018 TEACHERS

"Marc's wealth of experience and Antonella's attention to detail regarding all educational and curriculum matters was impeccable...The teachers were exceptionally knowledgeable in their specific content area and very generous in sharing their resources with us. Class conversations were dynamic, and all questions were welcomed. A truly memorable experience and a worthwhile opportunity for future Australian French teachers who want to extend themselves professionally and improve their conversation skills. A sincere thank you to the TETC team!"

Priscila Quintana – Kambala, NSW

"Easily the best professional development course I have done... The Stage has reinvigorated my teaching practice...Engaging courses led by high calibre teachers of FLE."

Sonia Robins – Pittwater High School, NSW

LE STAGE HISTORY

Le Stage was designed by Antonella Tricca-Cabarrus B.A. Dip. Ed CERT IV TESOL M.A.C.E, a French and Italian language teacher with a wealth of experience. Antonella was then TETC Director – Educational Tours & Programs. It was written and adapted by Antonella with Australian teachers of French at Primary and Secondary level in mind. It is based on Australian Professional Standards for Teachers at Proficient Level. Le Stage was registered by NSW Education Standard Authority (NESA) as PD in 2017. It is the first ever Professional Development Course registered by NESA to be delivered outside of Australia.

SUGGESTIONS & TRAVEL TIPS

The logistics of the 2019 edition of Le Stage were amended following valuable feedback from 2018 participating teachers. Participants are now able to avail themselves of, and book directly with, the different accommodation options that Tours offers. Homestay and apartments can be booked directly through Institut de Touraine.

Remember to check walking distance to the Institut as public transport is more limited after hours and you will certainly want to check some of the town's wine bars and restaurants after les "cours".

Completing Australian Teachers of French Stage in France will contribute to 65 hours and 30 minutes of NESA Registered PD addressing 1.3.2, 1.5.2, 2.1.2, 2.6.2, 3.3.2, 3.4.2, 6.2.2, 6.3.2, 6.4.2, 7.4.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
